Saguaro Canyon - Troon Village

First time to market – this home is like no other home you've seen in Troon Village!! Owners annexed additional land twice to make the backyard an incredible oasis in the desert. Views and setting are truly amazing to say the least both from both the front and from the back.

You'll have a hard time deciding which views you like best. Resort style backyard faces south to enjoy the SUN and includes a large swimming pool with rock waterfall with slide, large spa, 2 play areas one with playground equipment and the other with sport court. Home also sides to hillside preserve.

Original Santana floor plan with attached casita has been expanded to feature 4 BR, Office, Media, 4 full Baths, & Powder room. Check out the photos and virtual tour – buy your plane ticket and come see this home!
